

For All: The Indiana University Bicentennial Campaign

Video Transcript

[Music begins]

[Video: Close-up of spikes of wheat waving gently in the wind]

[Video: Legs of woman wearing blue jeans and tall blue rubber boots walking toward a vehicle parked in a grassy area]

[Video: Close-up of the back window of a truck travelling down the road with a blue sky and farm in the distance]

[Video: View from a moving vehicle of a residential street lined with manicured grass on both sides and mature trees and partial view of homes in the background with sun rising behind a tree]

Narrator Meryl Streep: Imagine the world that this one

[Video: Young boy wearing a green shirt running in a field holding an orange kite with a long orange tail dragging behind him framed by a stand of tall trees in the background and a hazy blue sky]

Meryl Streep: could become.

[Video: Close-up of a baby's head on soft white surface wearing a smocked, ruffled pink shirt staring into the camera]

Meryl Streep: The world that future generations might inherit.

[Video: Silhouette of young boy holding a basketball he's about to bounce and a taller man standing next to him with a basketball goal in the distance and a twilight sky with a plane flying in the distance]

[Video: Side-view silhouette of a person sitting next to a large picture window with a view of the tall buildings of downtown Indianapolis in the background]

Meryl Streep: Picture a world that's safe,

[Video: Twilight view of the White River with the tall buildings of downtown Indianapolis in the background]

Meryl Streep: healthy,

[Video: Twilight view from the far banks of the White River with the tall buildings of downtown Indianapolis in the far distance]

Meryl Streep: open.

[Video: Close-up view facing the entrance to the Indiana Government Center looking down the street to the Indiana State Capitol in the distance.]

Meryl Streep: Where leaders are conscientious

[Video: View from the street looking up at the pedestrian bridge linked to the IUPUI Student Center]

Meryl Streep: and able.

[Video: Close-up of young girl wearing red shirt lifting her head, deep in thought with blurred images of trees in the background]

Meryl Streep: Where dreamers can dream even bigger.

[Video: Young girl wearing an Indiana t-shirt, shorts, and running shoes sitting in the grass with her back propped-up against a tree trunk and her legs bent holding a notebook in her lap with tall trees and street lights in the background staring out at the landscape deep in thought.]

Meryl Streep: What if we could make this world

[Video: Young girl wearing red Indiana t-shirt and shorts and a younger boy wearing a white t-shirt and green shorts running by the Showalter Fountain with Venus and fish spouting water in the background]

Meryl Streep: our world?

[Video: Young girl wearing a loose fitting pink shirt running and another young girl wearing a peach shirt and white shorts running behind her with a limestone building in the background]

Meryl Streep: What if you could start today? It starts right now.

[Video: Close-up of young boy with brown tightly curled ringlets sitting on the pavement at the edge of the fountain gazing with a look of joy and amazement and a young teen girl in red Indiana shirt sitting near him in the background]

[Video: Blank white screen]

[Video: Black and white close-up of a female student's face with long straight hair smiling at the camera]

Meryl Streep: It starts with you.

Female student: And it starts with your support of Indiana University. You, you can create a brighter future for all.

[Video: Black and white image of male student wearing glasses stepping into the picture and standing next to the female student]

Male student: You will help us reach new heights of achievement.

[Video: Two male students brush hands in greeting as they pass through the Sample Gates going in opposite directions with male and female students strolling in the background]

Meryl Streep: You will make it possible for

[Video: Close-up of a male student with a white tassel hanging from his graduation cap smiling next to a blurred image of another student next to him.

Meryl Streep: the best,

[Video: Approximately 30 students with laptops open in a three-tiered theatre-style classroom focused on male professor lecturing in the front of the classroom]

Meryl Streep: brightest students to access

[Video: View from the back of a woman standing in front of an abstract painting]

Meryl Streep: the world-class education

[Video: View of woman shifts to the front with close-up of her face]

Meryl Streep: that IU provides.

[Video: Side close-up view of a woman's arms and hands playing the violin with blurred images of violins and other orchestra members in the background]

Meryl Streep: You'll empower

[Video: Two female students, one in the foreground bending over and one in the center sitting on a structure under construction, pounding nails with hammers and in the background--- an IU banner on light pole and the "Indiana University" signage at the top of the football stadium.]

Meryl Streep: students to give back to their communities

[Video: Twenty-one students in hard hats raising a wall to form the side of a home under construction]

Meryl Streep: in meaningful, life-changing ways.

[Video: Close-up of a chin-bearded male student with two female students standing on either side of him]

Male student: You will create new generations of global leaders.

[Video: Female student smiling and interacting with woman wearing a blue sari and pale pink scarf on her head with an older adult male sitting in the background looking on]

Meryl Streep: With your support, our students will have

[Video: Close-up of the female student's face looking knowingly to the far left with a acknowledging smile]

Meryl Streep: the global experiences that give them a sense

[Video: View of the back of a male student standing on a boat with a canopy that is travelling down a river]

Meryl Streep: of the world.

[Video: Close-up side view of a smiling female student with hair blowing in the wind on a boat with a canopy as it travels on water with blurred land images in the horizon]

Meryl Streep: And the ability to carve out their place in it.

[Video: Head of an ancient sculpture]

Meryl Streep: You'll help IU

[Video: Three female students, one with a scarf covering her head, and two male students, smiling at the camera as they pose for a group selfie]

Meryl Streep: strengthen its partnerships

[Video: Night scene of two female students, one with a scarf covering her head, standing in a blurred crowd swaying and singing in unison with blurred images in the background]

Meryl Streep: with academic, professional, and civic organizations around the world.

[Video: Night scene of a male and a female student smiling and clapping with blurred images of crowd in the background]

Meryl Streep: And you'll give IU students,

[Video: Older adult male standing at a podium with "Indiana" signage speaking and gesturing enthusiastically]

Meryl Streep: faculty, and alumni perspectives

[Video: Close-up view of young woman with long black hair making a speech]

Meryl Streep: and the voice they need to solve global problems.

[Video: Close-up view of a female professor surrounded by three male faculty]

Female professor: You will help us teach and inspire the learners of tomorrow.

[Video: Close-up of cluster of students in a classroom with focus on one male student in the middle of the group speaking]

Meryl Streep: You'll equip

[Video: Side/back view of a male professor lecturing a group of students who have their laptops open in a tiered lecture room]

Meryl Streep: IU faculty

[Video: Feet-only view of two female ballet dancers in pink ballet slippers and leotards dancing]

Meryl Streep: with the resources

[Video: Male ballet teacher performs graceful arm movement next to dancer in a long sleeve blue shirt]

Meryl Streep: and spaces they need

[Video: Close-up of male and female ballet dancers performing]

Meryl Streep: to prepare students

[Video: Male professor talking with a male student on the sidewalk outside a classroom building]

Meryl Streep: to contribute

[Video: Back view of a student in sculpture studio working on a large colorful spiral sculpture]

Meryl Streep: to a stronger

[Video: Close-up of colorful strands of the sculpture with background blurred]

Meryl Streep: more vibrant society.

{Video: Male medical researcher in a suit and tie surrounded by three females and a male wearing white medical jackets with medical equipment in the background}

Male researcher: You will allow us to bring new hope to those who suffer.

Meryl Streep: Through your generosity

[Video: Close-up side view of bearded-male looking into the lens of a piece of ophthalmology equipment]

Meryl Streep: Indiana University will

[Video: Close-up of child's head braced for eye exam with blue light shining in child's right eye and adult hand stabilizing child's head]

Meryl Streep: give millions of people

[Video: Male in red IU medical scrubs taking an adult female's blood pressure]

Meryl Streep: the opportunity to live

[Video: Close-up of researcher's blue-gloved hands and arms in white coat pulling a large rectangular container holding test tubes out of freezer]

Meryl Streep: longer lives

[Video: Close-up of blue-gloved hands removing one test tube from the frozen test tube storage container]

Meryl Streep: free from the threat of debilitating diseases.

[Video: Front view of professionally dressed woman holding a model of two halves of a brain talking on a stage with the words "TED" in the background]

Meryl Streep: And expand what we know about

[Video: Rotate to side view of the scene]

Meryl Streep: human life and how it functions.

[Video: Middle-aged female community member wearing sleeveless black blouse with five men and women of various ages from a school-age child to an older mature adult woman with building blurred in the background]

Female community member: You will strengthen our communities.

[Video: Cheerleaders cheering and waving pom-poms in Simon Skjodt Assembly Hall with NCAA basketball banners hanging in the distance and fans, a basketball goal, and shot clock in the background]

Meryl Streep: You will make it possible for students

[Video: Student wearing a backpack shaking hands with the Hermann B Wells statue on IU Bloomington campus]

Meryl Streep: from all over Indiana

[Video: Student sitting on ground studying next to the library fountain on the IUPUI campus]

Meryl Streep: to get an IU degree right in their home communities.

[Video: Close-up of female student and male student smiling in conversation]

Meryl Streep: You will enable IU's eight campuses

[Video: Park bench with words "IU Southeast" with two students walking together outside a building on campus in the background]

Meryl Streep: to ensure our students continue

[Video: Overhead view of beautiful white blooming trees on the pedestrian mall of a campus with university buildings in the background]

Meryl Streep: to contribute to countless communities

[Video: Streetscape with steel sculpture towers in the foreground and tall red-brick buildings lining either side of the street with parked cars.

Meryl Streep: across Indiana

[Video: Sun rising over the mountains]

Meryl Streep: and around the world.

[Video: Close-up of male professor/researcher wearing glasses surrounded by five college-age male and female students]

Male professor/researcher: You will help us fulfill our promise for the future.

[Video: Female in pink shirt examining a plant in a greenhouse.]

[Video: Close-up view of female's hands holding a magnifying lens as she examines a plant's flower]

Meryl Streep: It's because of you that we will drive the practical solutions

[Video: Close-up of woman's face as she examines flowering plant]

Meryl Streep: that support

[Video: Close-up of laptop with unidentifiable words being closed and picked up by two hands]

Meryl Streep: the health of our environment.

[Video: Two middle-aged men looking at large robotic-like machine with wheels]

Meryl Streep: To tackle the problems of today

[Video: Robotic-like machine with wheels traversing across reddish-brown sand dunes]

Meryl Streep: and the grand challenges of tomorrow.

[Video: Close-up black and white image of female student]

Female student: It's your gift that creates the resources

[Video: Close-up black and white image of chin-bearded male student]

Male student: that shift the thinking

[Video: Black and white close-up of professor]

Professor: that equip the learners.

[Video: Black and white male researcher in a medical setting]

Male researcher #1: who become the leaders,

[Video: Black and white image of female community member in black sleeveless blouse]

Female community member: who bring the perspectives

[Video: Black and white image of male researcher in a laboratory setting]

Male researcher #2: that open the opportunities

[Video: Black and white image of male child wearing glasses]

Child: that create new possibilities

[Video: Black and white image of male child changes to color image with child wearing a red shirt and campus in the background]

Child: for all.

[Video: Close-up image of female student wearing red shirt smiling]

Meryl Streep: For all

[Video: Close-up image of a male student]

Meryl Streep: we can imagine

[Video: Close-up of female student wearing an IUPUI t-shirt]

Meryl Streep: we can inspire.

[Video: Close-up of male student smiling]

[Video: Close-up of gray-bearded man smiling]

Meryl Streep: For all

[Video: Close-up of male researcher smiling]

[Video: Close-up of female professor with IU Kelley School of Business logo in the background smiling]

Meryl Streep: we can make possible.

[Video: Male student smiling with the doors of a campus building in the background]

[Video: Female student smiles and winks]

Meryl Streep: For all who

[Video: Male student smiling]

[Video: Female artist with colorful sculpture in background]

Meryl Streep: shaped our first two hundred years.

[Video: Smiling female student]

Meryl Streep: For all who shape our next century.

[Video: Red flag waving in the background and words appear. IU logo and FOR All: The Indiana University Bicentennial Campaign; LEARN MORE AT FORALL.IU.EDU]
